KENTUCKY STATE FAIR AT CHURCHILL DOWNS.

Historic Race Course at Louisville Will be Location of 1907 Exhibition.

After three weeks of negotiations with the owners of Douglas Park at Louisville, resulting in a failure to induce them to lease the grounds for the 1907 Kentucky State Fair, pending the clearing of the title to the property, and adjustment of other matters in connection with the purchase of the track and buildings as a permanent location, the Kentucky State Board of Agriculture has been given the use of Churchill Downs at Louisville for holding this year's exhibition during the week of September 16.

The Kentucky State Fair will therefore be held on the dates mentioned, at historic Churchill Downs, where the fair last year was held.

Messrs. Charles F. Granger and Matt J. Winn, representing the Churchill Downs interests, have now agreed to the use of these grounds and a committee representing the State Board has extended to them a vote of cordial thanks for their liberality in the matter, inasmuch as the grounds are tendered to the State Fair upon terms agreeable to the State Fair management.

Churchill Downs, while a typical race course, is considered to be the best equipped State Fair grounds in the South, with the possible exception of Texas Fair Grounds. There will be an abundance of stall room for all kinds of live stock, there is a big grand stand and there are many buildings suitable for the departments which must be shown indoors.

The entry list in the different exhibit departments is the greatest in the history of the Kentucky State Fair, at this time, three weeks prior to the exhibition.

The State Fair management is spending over \$7,000 in exploitation, and expects record breaking attendance daily. Some of the greatest amusement enterprises in the country have been contracted with for State Fair week.

FLEETWOOD STUD WINS PRIZE VALUED AT \$1,000.

The show of thoroughbreds at the Blue Grass Fair was held on Saturday, the last day, the chief prize being a ring for weanling colts, carrying with it a season for next year to the \$80,000 French horse, Adam, the gift of the New York breeders, Andrew Miller, F. C. Bishop and O. M. Bishop.

L. P. Tarlton, Fleetwood Stud, Frankfort, Ky., carried off the prize with a colt by Ornament, second premium going to T. C. McDowell, Ashland Stud.

Adam is a son of the Triple Crown winner, Flying Fox, sold at public auction for \$187,500, the highest price ever paid for a horse. Adam was bought by the proprietors of the Mill Stream Stud for \$80,000. Fifteen outside seasons to him were offered this year at \$1,000 each and were eagerly taken by the most discriminating breeders in the United States.—Exchange.

OPENING OF DEMOCRATIC CAMPAIGN.

Gov. J. C. W. Beckham and Auditor S. W. Hager will open the Democratic campaign by speeches at Lexington today. Doubtless there will be a big crowd present to hear these speeches.

MINORS MUST NOT ENTER SALOONS.

The ordinance forbidding minors to enter or loiter about saloons was given its final passage, on Monday night, and is now the law. The fine is from \$5 to \$10 for each offense.

DISMANTLED.

The Hardie drug store, recently purchased by the McClure Realty Company, has been demolished this week. The work of raising the building commenced on Wednesday morning. This will make the new sky scraper of much better proportions.

THE TRUE POSITION OF THE ANTI-SALOON LEAGUE.

We give below a letter from Mr. C. L. Collins, Superintendent of the Anti-Saloon League, has issued the following letter, giving the true position of the Anti-Saloon League of Kentucky:

"The special from Danville, Ky., on Tuesday seems to demand some comment. It appears that some sort of rally of temperance people is to be held at Danville on October 20th. What this rally is and who are the moving spirits in its management this office does not know. It is not a gathering of the clans of the Anti-Saloon League.

"No State convention of that body has been projected for this fall. It seems to me that this much is needed to be said in justice to the many thousands of friends of the league over the State.

"I am most interested, however, in the statement that this rally of the temperance forces of the State is likely to ask the next General Assembly to pass a law making the whole State of Kentucky dry—a law similar to that recently enacted in Georgia. Of course it is anybody's privilege to ask the General Assembly to pass any measure that he may desire. Sometimes, however, lawmaking bodies do not meet everybody's wishes in full. That may be the case with such a request as is suggested above as a possibility. At any rate, I desire the anti-saloon forces of Kentucky to know that is yet the league has not determined to seek such legislation. All of us would hail the dawn of such a day as that legislation will ultimately bring. Toward that end we are constantly at work. That end we shall surely attain.

"So far, however, no meeting of the Board of Trustees of the Anti-Saloon League has been held to determine what legislation we shall seek. Such a meeting will be held in due time and then our position will be decided.

"In full accord with the settled policy of the league, all over the country, we shall move deliberately enough to be reasonably sure that the State is ready for the enforcement

of any law before we seek its enactment. The Anti-Saloon League knows no stopping place this side of complete victory; but we reserve the right to exercise our best judgment, guided by long experience, as to time and ways and means. Our watchword in Onward. Our organization is as perfect as we can make it. Our agitation will continue.

"The two measures which it is certain we shall ask at the hands of the next General Assembly are (1) the extension of the so-called County Unit Law to cover all counties in the State, and (2), a measure eliminating the sale of liquor from places of business other than saloons. We confidently expect to secure such legislation. The first of these laws would enable all but about a half-dozen counties in the State to vote dry before Christmas, 1908. The other would put the sale of liquor in the cities into the hands of those who are entirely amenable to the license boards and remove many of the vilest features of the present system."

I will mail your free, to prove merits, sample of my Dr. Shoop's Restorative, and my book on either Dyspepsia, The Heart or The Kidneys. Troubles of the Stomach, Heart or Kidneys are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak stomach nerves—the inside nerves—mean stomach weakness, always. And the heart, and kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me today for sample and free book. Dr. Shoop Racine, Wis. The restorative is sold by all druggists.

FRANKLIN ASSOCIATION.

This venerable body of Baptist people met at Glenwood Park on Wednesday last. There was a fine crowd present, which was very largely composed of the regular messengers from the sixteen churches composing the body, together with a full representation of the live, energetic and working members of the various churches.

The body was called to order at 10 o'clock a. m., by Dr. U. V. Williams, the Moderator, who has filled that high position with great acceptance ever since the death of that model Moderator, the late beloved Col. Thos. Rodman.

Rev. A. Paul Bagby, pastor of Mt. Pleasant Church, of this Association, and Providence, in Elkhorn Association, preached the introductory sermon from the text "What of Thy Life?" It was an able and exhaustive treatment of the subject, coupled with an earnest exhortation to his hearers to make the most of their lives as servants of the Most High.

The letters from the sixteen churches were then read, showing a decided gain in membership, the total being about 3,500.

Dr. U. V. Williams was re-elected Moderator. Mr. Crawford Lee was elected Clerk, to succeed Prof. E. R. Jones, who declined a re-election. Mr. James H. Martin was elected Assistant Clerk. Mr. John E. Kirtley was re-elected Treasurer.

The reports from the several committees showed gratifying and decided progress along all lines, especially as regards the missionary work of the church.

One of the features of the meeting was the saddening fact that many of the leading men and women who had made this Association a power for good in the days of the past, had heard the call of their Master to "lay down their armor and come up higher."

But an encouraging fact was the large number of young and energetic men and women who have been raised up to take up the work laid down by those called home.

Rev. W. J. Mahoney, of New Orleans, La., Rev. T. J. Stevenson, of Georgetown, Rev. J. N. Prestridge, of Louisville, Rev. C. W. Elsey, of Lexington, and Dr. J. J. Rucker, of Georgetown, were among the visitors from other Associations.

A number of strong and instructive addresses were delivered during the meeting.

GEO. A. LEWIS, Pro'r and Pub.

FRANKFORT, AUGUST 31, 1907

FORMER FRANKFORT PEOPLE ARE ILL.

We regret to learn that Mr. Frank C. Hughes, formerly of this city, but now of South Pittsburg, Tenn., was stricken with paralysis a few days since, and has been taken to Battle Creek, Michigan, for treatment. He was doing fairly well at last accounts. His many friends here hope to hear of his recovery.

We were likewise pained to learn that Mrs. Fannie A. Lyons, of Louisville (but who was for many years a citizen of this city), is very ill in that city and has been taken to an infirmary.

We earnestly hope that she may soon be on the road to recovery.

RUSHING WORK.

The contractors for the building of the Highlands Railroad are rushing things just now. The first construction party commenced work at the Big Eddy and have progressed nicely towards the mouth of the Glen's Creek. The second party are working this way around the big "Walcott Hill." The third party to make dirt fly are at work just above the Cochran distillery, and are making the necessary grade to connect with the L. & N. R. R. at that point.

We rejoice at the rapid progress made.

COL. GEO. B. HARPER DEVELOPS INTO AN ORATOR.

Our genial friend, Col. G. B. Harper, President of the F. & C. R. R. Co., has developed into an orator and his fame has gone out to other cities.

He has been invited to make an address before the Mt. Sterling Business Men's Club, at a banquet on Monday evening, September 2d.

Col. Harper was a citizen of the "Gateway to the Mountains" for several years when manager of the Narrow Gauge Railroad.

YOUNG MAN KILLED.

The friends of Mr. Ovon McKee, son of Mr. Wm. H. McKee, and grandson of Judge I. T. Risley, of LaGrange, were shocked when the news came here, on Tuesday, that young McKee had been killed by a freight train in LaGrange.

It seems that young McKee told some of his young friends that he was going to board the train, as it passed, but they did not think he would try it. He did, however, missed his aim and his body was cut in two.

ROUNDING TO A FINISH.

The construction gangs on the Frankfort and Versailles Interurban Line are rounding up their work very rapidly towards a finish. They have 500 hands at work, and, we are informed, have only about three miles of grade and track work to finish. The toot of the traction whistle will soon be heard as the cars rush along to the "Belle of the Blue Grass."

EXCURSION TO CINCINNATI.

The F. & C. and Q. & C. will run another of their very pleasant excursions to Cincinnati tomorrow. The train will leave this city at seven o'clock, a. m., sharp. Returning will leave Cincinnati at 6:30 p. m., and reaching home by bedtime.

These excursions are growing more popular as the season for them draws to a close.

Fare for the round trip only \$1.25.

ROSEDALE, CUNNINGHAM STATION

Col. and Mrs. John Cunningham, and Mrs. Laura Estill Francis, entertained at tea, on Thursday Evening, at their colonial, ancestral home at Rosedale, in honor of their brother from Washington, Rev. Wm. K. Cunningham, a brilliant lawyer, a gifted and successful business man, large land-owner, and interested in banking. He was anxious to enjoy the dear scenes of his childhood, in "The Old Kentucky Home," by moon-light and a royal feast was prepared for a highly interested party of friends. The house was decorated and perfumed with white lilies and ferns. Among the guests was much beloved brother and sister Willis of the Christian Church. Mr. Earnest Bean of Winchester, Ky., and Mr. Mat Bean, the Secretary of "The Great Tom Bean Estate in Texas, which is at last "A Go!

A FIRM ANSWER.

The Rev. Mr. Freuder, of Philadelphia, tells this story of himself:

Some time ago he was invited to dine at the house of a friend, whose wife went into her kitchen to give some final orders. Incidentally, she added to the servant, "we are to have a Jewish rabbi for dinner today."

For a moment the maid surveyed her mistress in grim silence. Then she spoke with decision, "all I have to say is," she announced, "if you have a Jewish rabbi for dinner, you'll cook it yourself."

THE LIMIT OF LIFE.

The most eminent medical scientists are numerous in the conclusion that the generally accepted limitation of human life is many years below the attainment possible with the advanced knowledge of which the race is now possessed. The critical period, that determines its duration, seems to be between 50 and 60; the proper care of the body during this decade can not be too strongly urged; carelessness then being fatal to longevity. Nature's best helper after 50 is Electric Bitters, the scientific tonic medicine that revitalizes every organ of the body. Guaranteed by all druggists. Price 50 cents.

GOOD NEWS.

Many Frankfort Readers Have Heard It and Profited Thereby.

"Good news travels fast," and the thousands of bad back sufferers in Frankfort are glad to learn that prompt relief is within their reach. Many a lame, weak and aching back is bad no more, thanks to Doan's Kidney Pills. Our citizens are telling the good news of their experience with the Old Quaker Remedy. Here is an example worth reading:

Mrs. Amanda Dean, of 18 Taylor Avenue, Frankfort, Ky., says: "While I did not personally use Doan's Kidney Pills, I can highly recommend them for the great relief they afforded my oldest daughter who had always suffered from a weak back ever since a child. On account of this condition, it was, at times, most impossible for her to lift anything. Accompanying this weakness there was also a difficulty with the kidney secretions which was very annoying and distressing. I learned about Doan's Kidney Pills and procured them for her at J. W. Gayle's drug store. She took them as directed and they helped her in every way. Her back felt very much better and stronger, and the trouble with the secretions was greatly relieved. My youngest daughter complained a great deal of her back hurting and her kidneys did not seem to be working properly. I gave her Doan's Kidney Pills and the results in her case were also most satisfactory."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

COUNTY COURT DAY.

Monday next is county court day, and there will, doubtless, be a big crowd in town. Owing to the rush of work on the farms, the crowds which have attended for the last few months have been unusually small. Things are in fine shape for farmers now, and they will take advantage of it.

"THE CANTRILL REUNION."

A reunion of the Cantrill family will take place on September the 5th at Jamestown, Va., at the exposition building. It will commemorate the landing of William Cantrill, who was a member of the first English settlement at Jamestown, Va., three hundred years ago. It is a most fitting time and place for the occasion. Mrs. Cantrill Christie, of New York, has devoted ten years in collecting a history of the family and thirty-one States will be represented. A splendid program is planned. Mrs. T. N. Arnold, of "Montrose," Frankfort, a granddaughter of the late Col. Joseph Cantrill, of Bourbon county, will attend the reunion.

COURIER-JOURNAL'S MAGNIFICENT PLANT DESTROYED.

A fire, which broke out at 12 o'clock, on Thursday night, destroyed the magnificent plant of the Courier-Journal and Times, at the corner of 4th Avenue and Green streets.

The loss is a tremendous one, reaching well up to a half million dollars, subject, of course, to some little salvage. It was one of the most complete and valuable newspaper plants in the South.

Its competitor and rival, the morning Herald, at once tendered the use of its outfit, and the C.-J. will be issued from that office for the present.

We sincerely regret this calamity to our fraters and extend our earnest sympathy.

The Courier-Journal's place in the newspaper world can not be filled.

The blaze occurred just at the busiest hour of the night.

Indigestion

Stomach trouble is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific nerve sickness—nothing else. It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Remedy—Dr. Shoop's Restorative. Going direct to the stomach nerves, alone brought that success and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, bad breath and sallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.

At Rockholds, in Whitley county, an old lady dressed very plainly, got on, walked back into the ladies compartment of the car I was in and took a seat. Capt. He jumped up and asked her if she wanted to get off, and being told that she did he stopped the train, accompanied her to the door and assisted her to alight. As she did so a boy who had accompanied her to the station called out: "Why, maw, ain't you goin'?" She quietly replied: "No; they's too long starting."

FREIGHT WRECK ON L. & N. R. R.

The C. & O. freight train, going west on the L. & N. track, was wrecked just east of Hoge Station, on Wednesday. Five cars left the track in a deep cut, completely blocking the track. The rails were torn up for about 100 feet.

All the L. & N. trains were greatly delayed by having to transfer at the wreck. The morning C. & O. trains each way went by way of the Louisville Southern to Louisville.

The track was not cleared until Thursday morning.

No one was killed, luckily.

STRANGE ADVICE!

Dr. G. G. Green gives alert personal attention to his great humanitarian contract.

In our Almanac for many years past we have given unusual advice to those afflicted with coughs, colds, throat or lung troubles or consumption. We have told them if they did not receive any special benefit after the use of one 75-cent size bottle of German Syrup, to consult their doctor. We did not ask them or urge them to use a large number of bottles, as is the case in the advertising of many other remedies. Our confidence in German Syrup makes it possible for us to give such advice. We know by the experience of over 35 years that one 75-cent bottle of German Syrup will speedily relieve or cure the worst coughs, colds, bronchial or lung troubles—and that, even in bad cases of consumption, one large bottle of German Syrup will work wonders. New trial bottles, 25c.; regular size, 75c. At all druggists.

Mental

Strain Affected General Health.

Doctor's Doses Weakened Stomach.

Dr. Miles' Nervine Cured Me.

Dr. Miles' Restorative Nervine brings rest and sweet sleep to the tired brain worn out with the cares and anxieties of the sick room. Read the following:

"I have always been healthy with the exception of a touch of rheumatism since my age came on, up to the time of my husband's last illness some years ago. I assisted in nursing my husband for nearly three months when he departed this life and the mental strain I think caused my trouble. Aside from extreme nervousness my trouble commenced with sore throat and neuralgia. My physician gave me purgative doses which weakened me very much and my stomach for a time seemed inactive. Mental strain and the dormant condition of my stomach soon told upon my general health. I had little appetite and was soon forced to stay in bed a greater part of the time. Within a week after the time I began taking Dr. Miles' Restorative Nervine and Tonic I was up about the house. I continued their use until completely cured. My faith in Dr. Miles' Remedies has been strengthened by experience of other people, our daughter having used Restorative Nervine with splendid results in a case of paralysis and a friend to whom I sent a box of the Anti-Pain Pills reports that she has been completely cured of neuralgia by their use. I know of a number of others whom your medicine has helped in a large degree. I wish you continued success."

"SIX GREAT DAYS."

Popular Belief in Kentucky State Fair—Special Features Arranged. Program Announced for Every Day and Every Night—All are to be Very Elaborate.

Six special days and as many special nights mean that the Kentucky State Fair will fulfil its promise to have something doing every minute of six great days and nights during the week of September 16th at Louisville. Col. W. W. Hite, President of the Louisville Board of Trade, is the General Chairman of the Committee on Special

A Lazy Liver

May be only a tired liver, or a starved liver. It would be a stupid as well as a savage thing to beat a weary or starved man because he lagged in his work. So in treating the lagging, torpid liver it is a great mistake to lash it with strong drastic drugs. A torpid liver is but an indication of an ill-nourished, enfeebled body whose organs are weary with overwork. Start with the stomach and allied organs of digestion and nutrition. Put them in working order and see how quickly your liver will become active. Dr. Pierce's Golden Medical Discovery has made many marvelous cures of "liver trouble" by its wonderful control of the organs of digestion and nutrition. It restores the normal activity of the stomach, increases the secretions of the blood-making glands, cleanses the system from poisonous accumulations, and so relieves the liver of the burdens imposed upon it by the defection of other organs.

If you have bitter or bad taste in the morning, poor or variable appetite, coated tongue, foul breath, constipated or irregular bowels, feel weak, easily tired, despondent, frequent headaches, pain or distress in "small of back," gnawing or distressed feeling in stomach, perhaps nausea, or "rising" in throat after eating, and kindred symptoms of weak stomach and torpid liver, no medicine will relieve you more promptly or cure you more permanently than Dr. Pierce's Golden Medical Discovery. Perhaps only a part of the above symptoms will be present at one time and yet point to torpid liver or biliousness and weak stomach. Avoid all hot bread and biscuits, griddle cakes and other indigestible food and take the "Golden Medical Discovery" regularly and stick to its use until you are vigorous and strong.

The "Discovery" is non-secret, non-alcoholic, is a glyceric extract of native medicinal roots with a full list of its ingredients printed on each bottle-wrapper and attested under oath. Its ingredients are endorsed and extolled by the most eminent medical writers of the age and are recommended to cure the diseases for which it is advised.

Don't accept a substitute of unknown composition for this non-secret MEDICINE OF KNOWN COMPOSITION.

Days, and has announced the following:

Monday, September 16—School Children's Day. C. B. Nordeman, Member Louisville School Board, Chairman.

Tuesday, September 17—Fraternal Day. R. S. Brown, President Louisville Commercial Club, Chairman.

Wednesday, September 18—Louisville Day. Geo. G. Fetter, Director Louisville Board of Trade, Chairman.

Thursday, September 19—Kentucky Day. Lew B. Brown, of Harrodsburg President Kentucky Press Association, Chairman.

Friday, September 20—Southern Indiana Day. Adam Heimberger, President New Albany Commercial Club, Chairman.

Saturday, September 21—Everybody's Day. Everybody, Chairman.

The Special Nights Committee is headed by J. V. Beckmann, Manager of the Retail Merchants' Association, who has announced the special nights as follows:

Monday, September 16—German American Night. F. W. Keisker, Chairman.

Tuesday, September 17—Irish-American Night. Thos. McCabe, Chairman.

Wednesday, September 18—Labor Night. John Young, President Louisville Federation of Labor, Chairman.

Thursday, September 19—Press Night. Young E. Allison, Chairman.

Friday, September 20—Military Night. Col. W. B. Haldeman, Colonel Commanding First Kentucky Regiment, Chairman.

Saturday, September 21—Farewell Night. Smith T. Bailey, Chairman.

Mr. Nordeman expects School Children's Day to bring little folks not only from Louisville, but from all over the State. He has appointed every county and city school superintendent in Kentucky as a member of this committee.

For Fraternal Day, a large tent will be erected where headquarters may be opened by representatives of all fraternal organizations, to receive, welcome and register guests. It is the hope of Col. Brown to have a series of drills by the uniform ranks of the different organizations.

Mr. Fetter will have the lion co-

operation of commercial, industrial, financial and professional organizations in making Louisville Day one that will put it in red letters on the Fair calendar.

No one will be bold enough, however, to challenge the popularity of Kentucky Day. Every indication points to it being the banner day of the week.

Mr. Brown has named many prominent editors of Kentucky as his associates on this committee. He is counting upon several large excursions from different points. The editors will hold a rally on the night of Kentucky Day, which is known as Press Night, and Col. Allison is arranging a very attractive program. Press headquarters are to be established at the Fair grounds.

Mr. Heimberger is not only appointing Southern Indiana editors, but heads of commercial organizations in that section, as members of the Southern Indiana Day Committee.

The programs for every night will be attractive. This will be especially true of Military Night, when the First Regiment will give an exhibition drill in front of the grand stand.

While the days and nights have been given some special name, it does not follow that the State Fair management wishes to confine the attendance to those interested in the way that the name indicates. On the contrary, the State Board of Agriculture invites everybody to come every day and every night.

At a great outlay of money the State Board of Agriculture has contracted with Captain Roy Knaben-shue to bring his passenger-carrying airship, the marvel of the century, to the Kentucky State Fair September 16 to 21 and give daily flights and exhibitions with a night ride in the air guided by a searchlight.

Pain's famous Manhattan Beach fireworks and gigantic pyrotechnic spectacle, the eruption of the awe-inspiring calamity of 1906, will be given nightly in front of the grand stand at the Kentucky State Fair in Louisville, September 16 to 21.
